SB9015F

Dual-core All in One Terminal

SB9015F delivers the perfect blend of quality, performance, durability, and economy that make it the Best-in-Class hardware for Point-of-Sale All in One touch screen systems. The SB9015F is equipped with an industrial computer core and can support a wide range of operating systems. It is a perfect choice when an All In One solution is needed. Just one thumb-screw located at the back panel of the monitor allow an easy access to the computer core for service and maintenance.
