

Argox OS-214 PRO

A impressora de transferência térmica Argox OS-214 Pro oferece funções e desempenho avançados em um design durável e compacto. A velocidade de impressão de 5 polegadas por segundo garante maior eficiência, e a ampla memória Flash e SDRAM de 128 MB integradas permitem uma gama de aplicações.

The user is cautioned that any changes or modifications which not recommended by Argox Information Co. Ltd. could result in the loss of the user's authority to operate the equipment. To ensure compliance, the users must use accessories and peripherals which approved by Argox Information Co. Ltd.

Supplemental Information: This device complies with the requirement of FCC Part 15 Rules. Operation is subject to the following two Conditions:
 (1) This device may not cause harmful interference and
 (2) this device must accept any interference received, including interference that may cause undesired operation.

INDUSTRY CANADA NOTICE:

This device complies with Industry Canada ICES-003 class A requirements. Cet équipement est conforme a ICES-003 classe A de la norm Industrielle Canadian.

The manufacturer declares under sole responsibility that this product conforms to the following standards or other normative documents:
 EN 62368-1:2020/A11:2020

Argox Information Co., Ltd certifies that the following products and/or components are compliant with the current requirements of the European Union Restriction on the use of Hazardous Substances (RoHS) Directive, 2011/65/EU, (EU)2015/863.

警告使用者:
 本產品為甲類資訊產品,為避免電磁干擾,本產品不應安裝或使用於住宅環境。

CAUTION: Risk of Explosion if Battery is replaced by an Incorrect Type. Dispose of Used Batteries According to the Instructions.

ATTENTION: Risque d'explosion si la batterie est remplacée par un type incorrect. Mettre au rebus les batteries usagées selon les instructions.
